WHY CUSTOMERS CHOOSE ALTERA FOOD

Our products embody the taste and quality of homemade meals. We use only fruits and vegetables with excellent quality, some of them from our own greenhouses

We do not compromise quality

We follow modern technology and changing market's demands

We provide the best value for your money

Perfect addition to every meal. Loved by every generation.

Altera Food offers processed fruits and vegetables with homemade taste and excellent quality to demanding customers. We use high quality vegetables and fruits growing in Macedonia, in the region with good climate conditions (~300 sunny days per year) and ecologically clean environment.

Our products- superb delicacies prepared according to traditional recipes.

Delicacies of The Macedonian Traditional Cuisine

Ajvar Homemade De Luxe
mild or hot
720ml/ 580ml/ 370ml

Ajvar is one of the biggest specialties and best held secrets of Balkan cuisine. Only ajvar made from grilled peeled red peppers and grilled eggplants deserves the title of top gastronomy. That is exactly how we make our home style ajvar.

Ajvar Homemade Classic
